Content of the Council Statement the Lessons Learnt Review of the Pow Beck Valley Stadium Project
Following the Board's decision to engage Regeneration Management, together with the Board's
relevant committees.

The Board's committees have reviewed the reports from our experience in this project and
submitted to the Board the following recommendations:

On 10th July, the Board's committees to conduct a full investigation report which would consider
the reasons behind the delay in the project, the impact on the community, the impact on the
project's reputation and the impact on the project's financial position. A full report will be
submitted to the Board in the next few days.

The report will also include a number of recommendations to the Board, which will be
submitted to the Board in the next few days.

Details of the Board's committees' recommendations and the Board's response will be
submitted to the Board in the next few days. The Board's committees will also
submit a report to the Board in the next few days. The Board's committees will also
submit a report to the Board in the next few days.

Following a request for further information, the Board's committees will submit
to the Board a number of recommendations which will be
submitted to the Board in the next few days. These documents, together with the Board's
response, will be submitted to the Board in the next few days.

The Board's committees' recommendations in this report, and the Board's response, will
be submitted to the Board in the next few days. The Board's committees will also
submit a report to the Board in the next few days. The Board's committees will also
submit a report to the Board in the next few days.

There are other reports that can be submitted to the Board, whether or not they
relate to the Board's response to the report. The Board's committees will also
submit a report to the Board in the next few days. The Board's committees will also
submit a report to the Board in the next few days.
